*Our mission: To make Lincoln Elementary a place of discovery, creativity, and community.*

September 28, 2022

We have been advised by the Minnesota Department of Education to not supply inaccurate or bad data. Unaudited data is not accurate and can lead to further confusion. The MDE has been working with the DOR (Department of Revenue) and MACO (Minnesota Association of County Officers) on how to accommodate these changes.

The guidance that has been given is as follows:

For districts that do not have their audit finalized by the deadline to submit the information to their county, they will be allowed to leave the data blank and the counties have been instructed to include this notice on the statements: School districts have different timelines for financial reporting, and this information was unavailable at the time of printing. Please contact the district for this information. Contact Patricia Lindeman, [patricia.lindeman@ivanhoeschools.org](mailto:patricia.lindeman@ivanhoeschools.org) or Loy Woelber, [lwoelber@wvgschools.org](mailto:lwoelber@wvgschools.org).

Thank you.
